Science Light and Shadows

Recognise that they need light in order to see things and that dark is the absence of light

Notice that light is reflected from surfaces recognise that light from the sun can be dangerous and that there are ways to protect their eyes

Recognise that shadows are formed when the light from a light source is blocked by a solid object

Sc3/4.1e find patterns in the way that the size of shadows change.

How is Merseyside represented in Art?

PE

Gymnastics
Sports around the World
